Sub: Prof. Ghanashyam Dash Scholarship for Higher Education

Dear Sir,

Prof. Ghanashyam Dash Scholarship for Higher Education has been instituted by Indian Metals and Ferro Alloys Ltd. eleven years ago and is awarded by Bansidhar & Ila Panda Foundation to encourage & facilitate higher education for meritorious children of its employees. Prof. Dash (1902-1959), in whose memory the Scholarship has been instituted, was a historian of international repute. He is the father of Late Ila Panda, a Founder - Director of IMFA Group.

With a view to enable the meritorious students belonging to economically weak families domiciled in Odisha (other than the children of permanent employees of IMFA) to pursue higher education in Engineering/Medical disciplines in select colleges, the scheme has been broadened with the addition of 4 (four) scholarships for this category of students. These scholarships are proposed to be awarded to four such students who are found eligible in terms of the said scholarship scheme, from the current session i.e. 2015-16.

The details of the scheme including the terms and conditions are available in our website at the address www.imfa.in/social-responsibility/scholarship.htm. Or www.bipf.org.in/scholarship.htm. Your College / Institute being one of the selected colleges under the scheme, we request you to kindly give a wide publicity of this scholarship in your institute by displaying the attached notice.

In case, any further clarification is needed on the scheme, the undersigned may be contacted.

Thank you

Yours Faithfully
For INDIAN METALS & FERRO ALLOYS LIMITED.

BANSIDHAR & ILA PANDA FOUNDATION

announces

PROF GHANASHYAM DASH SCHOLARSHIP

FOR HIGHER EDUCATION

The scholarship has been instituted by IMFA in the memory of renowned historian Late Prof Ghanashyam Dash and is awarded by the Bansidhar & Ila Panda Foundation. To facilitate higher education in Engineering & Medical courses, six (06) scholarships will be awarded - two (2) for children of permanent employees of the Company and four (4) for meritorious students from economically disadvantaged families permanently domiciled in Odisha. The scholarship covers 90% of academic fees and related expenses for the entire duration of the course with an annual limit of ₹1,00,000 per student.

Applications are being sought for four (4) scholarships for courses commencing in academic year 2015-16. For further details including list of colleges, please visit:
