1. Introduction

Swami Vivekananda, a youth icon, who revived the humanitarian values, cultural heritage, religious beliefs, had worked hard and lived the example of Universal brotherhood. He showed the path of inclusive growth and dharma to the youth of India. Under the inspiring light of Swami Vivekanand's ideas, VIGYAN study circle organised “Youth Festival-2016” on his 153rd birth anniversary.

The festival aimed to generate leadership traits in present-day youth to help them evolve as worthwhile human resource for nation building. This endeavour could be achieved only when people know their country and have proud of its rich heritage. Hence, the theme given to the festival is "Bharat ko Jaano, Bharat ko Maano". However, the festival consisted of various cultural, literary and Indian sports activities but at the core it provided an open platform to the young minds of MNIT where every enlightened soul, committed to Indian philosophy, culture and value system may share his or her own ideas.

The festival is benefitted by the experiences and enlightened thoughts of social activists, writers, prolific orators like Sh. K.N. Govindacharya, Sh Prafull Ketkar and Sh Shyam Sunder Bissa working at grass-root levels for the cause of a better society and nation. Following events were held during the fest.

It has been said by various Great Personalities like Maharishi Arvind and Swami Vivekanand that India is Immortal. Poet Iqbal has greatly said “यूनान मिस्र रोमां मिट गए सब जहां से, कुछ बात है कि हस्ती मिटती नहीं हमारी”. So an effort was made through the discussion to find out that nectar element of this great tradition which kept our culture alive. It was a great discussion and essence came out of this mind storming session was its ever new and eternally ancient dharma which is strictly not religion. Our value system and traditions where Dharma was considered as duties and obligations is the nectar element. Far beyond tolerance it rises up to the level of mutual respect and universal brotherhood.

7. Conclusion

It was a great event organised, hopefully, first time in the college on the birth anniversary of a great saint and sanyasi Swami Vivekanand. The idea behind the event was to make youth aware about the ideas of swamiji. He agitated the young minds with his strong calls "Arise, Awake and Stop not till the goal is reached". It showed the relevance of the swamiji's teachings even after 100 years of his sayings.

Taking inspiration from such a great soul, in this 4 day event more than 600 students participated in 20 different kinds of programmes and more than 70 volunteers worked relentlessly to make this event a success. There was a good combination of cultural activities like "Vrihannala" a dance competition and brain storming sessions like "strength behind the immortality of Bharat". It was tried to do most of the things for a good cause.

- As a prize, timeless gifts - books authored by great visionary leaders like APJ Kalam and Swami Vivekanand and philosophers and management gurus like Robin Sharma, Rajeev Malhotra and Devdutt Pattnaik were distributed.
 - As a bouquet, in spite of plucked flowers, small beautiful flower pots were given to the dignitaries on their welcome which was appreciated by everyone.
 - 25% of the amount collected by registration will be sent to the prime minister Relief fund.
- and many more.

Further, it is planned to do regular discussions and likewise activities to widen the horizons of young minds. Next year, it is planned to celebrate the festival in more effective way and increased participation. The support got from various departments and people is highly appreciated. We are thankful to The Director, The Registrar, The Dean, Student Welfare, Training and Placement Cell and all others involved directly or indirectly for cooperating us time to time.
