

BIRD PEACE RALLY REPORT

A peace rally was organized on the morning of January 13, 2017 for creating awareness for bird safety. The walk took place around Jawahar Circle. Posters and pamphlets with helpline numbers and kite flying guidelines were distributed to people around the circle and in the park as well. Volunteers including students, faculty members and staff participated enthusiastically.

The volunteers then moved to different areas of the city, spreading awareness and the message of bird safety to the general public through pamphlets and posters. Two camps for treatment of injured birds were set up in the MNIT campus.
