

REPORT ON BIRD SAFETY AWARENESS WORKSHOP

The festival of Makar Sankranti is celebrated on January 14 every year. A workshop to sensitize the public about the injuries to birds during the kite flying festival and also to reduce the possible damage to these creatures was organised. The workshop to “Save Birds and Bird Safety Awareness” was organized in association with Raksha NGO was held on January 12, 2017 in the Mini Auditorium. The students were made aware about the harmful effects of nylon and glass coated abrasive string (also known as ‘Chinese Manjha’) were discussed and an appeal for their disuse was made to all present. Students were also given hands on experience in providing first aid to the injured birds. The event was organized by MNIT in collaboration with team Raksha, NGO. It was co-ordinated by Dr. Reetu Singh (Deputy Registrar, Student Welfare, MNIT)
