

potential and of bridging the gap between the needs of the industry and the academia.

The aim of the course is to develop and master relevant communication and professional skills, using English language as a means and a kind of mediator in shaping future engineers. The interactive sessions, coupled with hands-on practice and experience, will ensure better comprehension on the part of the participants and will ensure making them industry ready.

Objectives

- To improve English Communication Skills
- To enable better business correspondences
- To develop communication skills for a range of business situations including meetings and job interviews
- To polish and perfect presentation skills
- To make the participants sensitive to and proficient in non-verbal communication
- Hands-on experience of group discussions/job interviews

Training Methodology

- Facilitator led interactive discussions
- Audio-visual aids
- Worksheets and templates
- Mock GDs and Interviews

Resource Persons

The training programme will involve eminent resource persons from universities, IIT, NIT & BITS Pilani.

Intended participants

The programme is open for interested students of B. Tech, M. Tech, Ph.D programme. Members of faculty and staff are also welcome to attend the programme.

and Ph.D. was started in year 2006 and 2004 respectively. The current sanctioned strength of the B.Tech. Chemical Engineering Program and M.Tech Chemical Engineering Program is 100 and 25 respectively for Full time Courses. The department is well equipped with good undergraduate laboratories and research laboratories that have been strengthened and modernized under TEQIP (World Bank) grants and Institute grants funded from MHRD

Department of Humanities and Social Sciences

The Department of Humanities and Social Sciences at Malaviya National Institute of Technology (MNIT) was established in the year 1965 in erstwhile Malaviya Regional Engineering College (MREC). The department offers a wide range of courses and runs a vibrant PhD program in the disciplines of English, Economics, Political Science, public Administration and Sociology.

The department of HSS at MNIT currently has nine faculty members who specialize in various contemporary areas of humanities and social sciences. The faculty members are engaged in high-quality research and teaching. They have to their credit various research projects, books and research papers published in reputed national and international journals. The department contributes to expanding the frontiers of knowledge in Humanities and Social Sciences through regularly organizing a range of exciting scholarly activities, drawing on the multiple disciplines, to enrich the entire spectrum of students and faculty.

About the Short-Term Course

Learning English is a challenging task in terms of content, methods and techniques. Apart from the students' acumen in core areas, they must also be proficient in communication skills. Undoubtedly, the ability to communicate effectively, offers umpteen opportunities for the individual and assists him in his employability. However, the absence of it can result in repercussions which might affect the career growth of the individual.

Communication skills, life skills, and general knowledge are needed to increase employment opportunities in the market. We need to think of the gen-x/y/z, their aspirations, styles of learning,

TEQIP III Sponsored Short-Term Course on 'Empowering Engineers through Communication Skills: A Comprehensive Approach'

July 29– August 2, 2019

Organised by
**Department of Humanities and Social Sciences & Department
of Chemical Engineering
Malaviya National Institute of Technology Jaipur**

About MNIT

Malaviya National Institute of Technology Jaipur is one of the NITs established in Jaipur, known as Pink City. The Institute was established as a joint venture of the Government of India and the Government of Rajasthan in 1963. Subsequently on June 26, 2002, the college was given the status of National Institute of Technology and on 15 August 2007, proclaimed an Institute of National Importance through Act of Parliament. The Institute is fully funded by Ministry of Human Resource Development (MHRD), Government of India. MNIT campus spreads over 325 acres of lush green area in the central location of Jaipur city. At present the Institute offers undergraduate and post graduate courses (M.Tech./M.Sc./MBA & Ph.D.) to about 5000 students in almost all leading fields of engineering, technology, management, humanities and sciences. The Institute has renowned faculty and labs with state-of-the-art equipment. The institute is actively engaged in research, consultancy and developmental activities besides imparting regular teaching.

About Chemical Engineering Department

The Department of Chemical Engineering was commenced in the year 1988 with 30 undergraduate students in the B. Tech. Chemical Engineering programme and has been doing its best to bring about excellence in academics achieved in the last 25 years. The PG Programmes of M.Tech. in Chemical Engineering

Registration

The applicant should mail the scanned copy of duly filled registration form to the coordinator on niraja.hum@mnit.ac.in latest by 10 July 2019. The fee should be submitted via NEFT/IMPS as per the following details:

Bank Name: - State Bank of India (SBI)

Account Name: - The Registrar MNIT, Jaipur

(TEQIP Phase-III)

Current Account No: - 36875887782

IFSC Code: - SBIN0015921

Branch:- MNIT Campus, Jaipur

The seats are limited and the registration will be on first come first serve basis.

Registration Fee

Participants from other organisations

and MNIT (faculty):Rs. 2500/-

Participants from other organizations(students): Rs.1500/-

Participants from MNIT(students):Rs. 1000/-

SC/ST/OBC/PD/Women participants: Rs. 600/-
