

TEQIP Sponsored National Workshop on Technical Writing with Advanced Computer Tools- May 14-18, 2019

A Report

A week-long ‘National Workshop on Technical Writing with Advanced Computer Tools’ sponsored by TEQIP was organized from Jan. 14-18, 2018 at MNIT Jaipur. The Workshop was designed to provide the participants a clear understanding of the basics of technical writing to enable them to communicate their ideas effectively in the form of technical reports, journal papers, project proposals, etc. using the technical writing tool LATEX and Beamer. The Workshop was coordinated by Dr Meenakshi Tripathi, Associate Professor, Dept. of CSE and Dr Preeti Bhatt, Associate Professor, Dept. of HSS, and included sessions by experts who focused on topics like innovative methods for enhancing one’s technical writing skills, use of technical terminology for information transfer, satisfying document specifications like style and format, page layout and organizational structure, and principles of coherence and cohesion in professional communication. Twenty-nine participants including UG and PG students, research scholars, faculty members and industry professions from all over the country registered and participated in the Workshop.

The workshop was a great success. The participants shared that the workshop provided them with an intensive training in preparing technical documents using LATEX which will be very beneficial for their professional careers.
