

## About The Course

The Faculty Development Programme (FDP) is aimed to develop entrepreneurship skills in science and technology professionals so that they can guide and encourage young research persons to adopt entrepreneurship as a career.

The FDP would enhance the knowledge of faculty members/teachers through diverse training methods which include entrepreneurship development, communication and interpersonal skills, creativity, problem-solving., etc.

The training methodology includes classroom lectures, group discussions, case studies and field visits.

## Programme Objectives

- ✓ To create an understanding of the importance of entrepreneurship.
- ✓ To develop faculty members with an entrepreneurial and professional mindset.
- ✓ To equip the faculty members with diverse training skills for providing training to students and entrepreneurs.
- ✓ To guide students/ entrepreneurs about the techniques of proposal preparation for feasible and viable projects.

## Benefits Offered to Participants

- ✓ No registration fees.
- ✓ The candidates who successfully complete the course will be able to develop an open elective course for their curriculum and teach it also.

The shortlisted candidates would be communicated by **20<sup>th</sup> November, 2019** through email.

Last date for the confirmation and commitment of the applicants to attend the program (Caution money deposit): **30<sup>th</sup> November, 2019.**

## DST-NIMAT Sponsored Faculty Development Programme

On

## *The Challenges of Strengthening Green Technology Entrepreneurship*

(6<sup>th</sup>-17<sup>th</sup> January 2020)

Organized By

Department of Chemical Engineering,  
Malaviya National Institute of  
Technology, Jaipur

Sponsored By

Entrepreneurship Development  
Institute of India

## About Institute

The Institute was established in 1963 with the name as Malaviya Regional Engineering College, Jaipur. The campus spreads over 317 acres of lush green area in the central location of Jaipur city and is imaginatively laid-out with a picturesque landscape. On June 26, 2002, the college has given the status of the National Institute of Technology by the Government of India under the aegis of Ministry of Human Resource Development (MHRD), New Delhi and on 15<sup>th</sup> August 2007 proclaimed 'Institute of National Importance' through the act of Parliament-2007. The Institute is fully funded by the MHRD, Government of India. Malaviya National Institute of Technology is one of the premier NITs of India. The Institute offers undergraduate and postgraduate (B.Tech., B.Arch., M.Tech., M.Arch., M.Sc., MBA and PhD) programs to about 4500 students in the leading field of Engineering, Technology, Architecture, Management, and Sciences.

## About City Jaipur

Jaipur offers a multitude of interesting places and tourist attractions. There are several magnificent palaces and forts such as the Hawa Mahal, Amber fort, Jaigarh fort, Nahargarh fort, Jal Mahal, City place, Jantar Mantar, etc., which are situated at the heart of the city. It is a city of fun, food, and festivals. It is well known as the "Pink City" which is a heady mix of tradition and modernity. Jaipur is very well connected to other parts of the country through air, rail, and road.

## Accommodation and Travel

Boarding and lodging will be arranged for the selected outstation candidates at the institute guest houses/hostels on a sharing basis during the program. However, due to the limited number of guest rooms in the institute, the allotment would be on a **FIRST-COME FIRST-SERVED** basis. Travel expenditure for the participants will be borne by themselves.

## For Whom to Attend:

Faculties from Universities/ Engineering/ Management/ Science Colleges/ Institutes who wish to become the motivators, trainers and facilitators of entrepreneurship. A total of 20-25 participants will be shortlisted on a **First-Come-First-Served** basis.

## How to Apply:

Interested applicants need to apply in the prescribed format which must be duly endorsed by the head of department/ Principal or equivalent of the institution/ University, College /Department, etc. The scanned copy of the registration form may be sent through E-mail to the Program Convener ([vsr.chem@mnit.ac.in](mailto:vsr.chem@mnit.ac.in)). The shortlisted candidates will be intimated through E-mail.

Shortlisted applicants need to deposit a demand draft of Rs. 2000/- as caution money (Refundable) in the favor of "REGISTRAR, MNIT JAIPUR" payable at Jaipur as an advance towards confirmation and commitment of the applicants to attend the program to the below-mentioned address.

The caution money of selected candidates will be refunded during the valedictory of the program. However, for the candidates who were selected but did not attend the program, their advance caution money shall not be refunded.
