

Ask me Anything

The session held on 24th January 2020 and it took place in VLTC L006. This was the 3rd session organised by ChESS society.

This session was organised to make the 1st and 2nd year aware about the on and off-campus internships and placements in both the core and non-core sectors. Around 80 students from both 1st and 2nd year attended the session.

The session was lead by the 3rd year students who had already done internship either in core or non-core sectors.

Manvendra Rathore who got an internship in JP Morgan told everyone about the internships that are available in non-core sectors and what are the important topics that one should be known to get an internship in non-core sector.

Ankit Ojha who was shortlisted for an internship in Reliance told everyone about the various rounds of interview, type of questions asked in the interview and the stipend offered and also about the PPO's offered by Reliance to the 4th year students.

Jonesh Jain and Anuj Srivastava who did an industrial internship at the end of 2nd year told everyone about its the importance and how it gives an upper hand to get an internship from campus in 3rd year.

Tarang Nigam who did a research internship from IIT Roorkee under Spark programme told everyone about the research programs offered by different IIT's. He also told everyone about the various foreign internships available. He also told about LinkedIn, how to create the profile, connect with alumni and one can use it to get an internship off-campus.

A doubt session was also there for the students. At last, refreshments were given to the students.
