Changing Face of Indian Automotive

Industry Speaker

Mr. ASHOK BELANI

Group President & MD Valeo, India

Thursday, 21st October, 2021

Time: 04:00 PM

Mr. Ashok Belani is a Mechanical Engineer from MREC, Jaipur 1982 batch. Mr. Belani graduated from the Advance Management Program of The Wharton School, University of Pennsylvania, batch of 2006. Coming from a mechanical engineering background, he started his automotive industry career in 1998 with Tata AutoComp Systems Ltd. as a General Manager. He has spent 15 years across multiple Tata subsidiaries in a variety of roles including building the Overseas Business for TACO. He also.

Moving on from his position as CEO of Tata Johnson Controls, **Mr. Belani joined as Managing Director of Valeo India.** He has been instrumental in building Valeo as a leader in the Auto Components space both in India and in the Asia region.

He has an uncompromising commitment towards ethical behaviour, safety, corporate governance, social responsibility and hard work. His values-based approach combined with his forward-looking vision, comprehensive planning and the thorough execution of the team behind him has held him in good stead in his corporate life.

Venue: Online on WebEx Platform
