

# Malaviya National Institute of Technology, Jaipur

## Invitation for Bid

**Request for proposal can be downloaded after 23.01.2012**

### Design & Installation of Pre- fabricated Classrooms & other Accomodation

Malaviya National Institute of Technology Jaipur (MNITJ) is a Institute of National Importance devoted to impart quality education in technical and other professional sectors. MNIT administration has developed ambitious expansion plans necessitating expansion of its infrastructure. As such construction is likely to take time and as implementation of its expansion plan requires immediate space, it is proposed to bridge this gap by developing facilities for classrooms, faculty rooms in its campus at Jaipur by double storied Pre-Fabricated structures.

Sealed tenders are therefore invited from the interested agencies for Design and installation of such pre-fabricated structures in MNIT campus. Interested parties may purchase Request for Proposal, brief details of work, salient parameters and term conditions of work from Estate Engineer, MNIT, JNL Marg Jaipur. The Brief details of work, salient parameters, terms & conditions are as under:
