About the Workshop

NIT's Leadership for Academicians Programme also known as N-LEAP is a one-day workshop for academic functionaries in public funded Higher Educational Institutions of National Importance (NITs).

The workshop aims to fulfil a long-perceived need of preparing senior faculty, Deans, Head of Departments for future governance roles as leaders in academic institutions. With an aim to transform the faculty of today into able academic leaders of tomorrow, the workshop aims at grooming the problem-solving skills, team building work, conflict management and other essential administrative, academic and financial skills required to understand and cope with the complexity and challenges of functioning in the Institutes of National Importance.
