### Notification for registration for Odd Semester 2023-24

It is COMPULSORY for all the UG, PG and Ph.D. students to register for each semester at the beginning of a new semester. Registration involves Fee deposition, Course registration and Physical reporting which are also called three steps of registration and are to be completed in this sequence only.

1. **Fee Deposition:** The fee structure for different category of students as well as for students of different batches/programmes is given on the MNIT Jaipur website and is available at the link [http://mnit.ac.in/academics/fee\\_structure.php](http://mnit.ac.in/academics/fee_structure.php). The Institute and Hostel fee can be deposited online, through ERP login. The schedule for fee deposition is given in table 1 below. DASA students and students opting for education loan will be able to print fee challan from their ERP login. **Students who have taken education loan from this year are required to send proof of the education loan (issued by bank) at [erp.acad@mnit.ac.in](mailto:erp.acad@mnit.ac.in) to use/create challan option.**

**Fee deposition through online mode:** The procedure for making online fee payment is given in the attached file "The Instructions for fee payment". Students shall carefully check the schedule of charges of Payment Gateway for payment through different modes. [Note: charges for payment through Net Banking are lesser than charges for payment through debit/credit card].

**Fee deposition through Challan mode:** DASA students and students opting for education loan are required to submit DD with challan at **ICICI branch of MNIT only**. After fee payment by Challan they are required to submit the Institute copy of Fee Challan along with photocopy of DD to the Academic Section.

**Payment Verification Link:** A fee payment verification link has been activated for payment confirmation. In case amount has been deducted from the bank account but the transaction ID is not updated on ERP, *the students are advised to confirm the payment status using Payment Verification Link (Available in actions of fee challan) before making the payment again.*

**For making payment through debit card it should be ensured that sufficient transaction limit is available in card.**

#### Instruction for DASA students:

All DASA students (other than CIWG) shall make online payment of Institute fees through ERP. DASA (CIWG) students, if making the fee payment in INR can pay total fee (tuition fee and Institute fee) online, through ERP. However, in case they are paying fee in other currency, either through DD or SWIFT, they are required to submit exchange rate certificate from the concerned bank. ***DASA students can pay tuition fee through SWIFT using enclosed proforma. They have to submit transaction confirmation by bank along with exchange rate certificate to the Academic Section within 3 working days of last date without late fee.***

**Course Registration:** The window for course registration will open after successful fee payment. The Students can login to their ERP account and choose the courses that they want to study during a particular semester. It is important to check the academic requirements for the particular semester that the students have to register. Normally, a student shall register for all the courses those are being offered to the students of their batch. In addition to that the student shall also register for any backlog courses. Every UG student must register a minimum of 15 credits. Maximum credits that can be registered in any semester are 30 (Except beyond VII semester B. Tech./ IX semester B.Arch.). The students shall take help of their Program Advisor for completing course registration. Registration for academically deficient students (Total credits <15 in previous semester) is to be done in consultation with Mentor Faculty & DUGC convener as per promotion policy.

Note: Students are required to submit undertaking through ERP only before submitting course registration by checking 'I Undertake' and they are not required to submit physical copy of undertaking (in hardcopy).

**Note for VII semester UG students**

- a. These students have been allotted few open elective/ program elective courses on the basis of their preferences submitted during pre-registration, if submitted. These courses will be visible as already approved courses. Students can register program electives and open elective courses, available at the time of their course registration, in case they did not complete preregistration earlier. Only those elective courses will be available for registration which have vacant seats at the time of registration. Please note that if the number of registered students in any course are less than the minimum number approved by the Senate then such courses will not be run and the students will be required to choose alternate courses during Add/Drop window.
  - b. The students of B. Tech. VII semester of the Departments of Chemical Engineering, Civil Engineering, Mechanical Engineering and Metallurgical & Material Engineering are required to register in the Basic Management (BMT499) course.
2. **Physical Reporting:** All students are required to report to the concerned program advisor of the respective semester of the respective department. The students shall sign in the Reporting list available with the Program Advisor as well as get the Course registration approved. The students shall also ensure that the status of all registered courses is shown, on ERP, as APPROVED. In case the status is visible as "Temp", then the student shall contact the Program Advisor for getting the course registration approved. Various deadlines for completing the steps of Fee deposition and course registration are given in table 1. The DUGC/DPGC Conveners of all departments shall forward the reporting list to the Academic Section, on the next working day after the respective deadlines.

**Table 1: Deadlines for completion of Fee deposition and course registration by students**

S. No.	Fee deposition followed by course registration	From Date	To Date
