---

## **Malaviya National Institute of Technology Jaipur**

Malaviya National Institute of Technology Jaipur (MNIT Jaipur) is one of the 30 National Institutes of Technology in India, created as centers of excellence for higher training, research, and development in science, engineering, and technology. Established as Malaviya Regional Engineering College, Jaipur in 1963 jointly by the Government of India and the Government of Rajasthan, the Institute was upgraded to Malaviya National Institute of Technology in 2002 by the Government of India and accorded the status of a deemed university and subsequently declared as an “Institute of National Importance” under National Institutes of Technology Act, 2007. The Institute is an autonomous body, fully funded by the Ministry of Human Resource and Development, Government of India. The Institute currently offers eight (08) undergraduate programs, and twenty-four (24) postgraduate and doctoral programs in multiple disciplines of science, technology, humanities, and management. The Institute constitutes of 13 Academic Departments and 7 Centers of Excellence with an annual intake of about 800 students in its undergraduate programs and about 650 students in the postgraduate and research programs.

## **DEPARTMENT OF MANAGEMENT STUDIES (DMS)**

Department of Management Studies at MNIT Jaipur was established in 1996 as Centre of Management Studies and Industrial Collaboration. The Department has been playing a seminal role in the growth of corporate sector and management education in India since then. DMS groom future business leaders by following a judicious blend of theory and practice, using highly innovative teaching pedagogy and is proud that its alumni occupies the high positions in business echelons. The Department offers a regular two year fulltime postgraduate degree in management (MBA) and a rigorous doctoral program (PhD in Management) focused on research in business and managerial issues.

## **ABOUT THE SHORT TERM COURSE (STC)**

The Finance for Beginner's in Digital Era course enables participants, to gain an extensive working knowledge of critical financial principles in an easy-to-follow manner, enabling them to make critical financial decisions involving cost-savings, budgets, new projects decisions, and growth strategies. The course aims to enable participants to understand new areas of Fintech, AI and supply chain finance and their practical implications in the industry. STC sessions will be conducted by eminent speakers from IIMs, IITs, NITs and practitioners from industry.

---
