

Proposal for announcing seat under the Institute Internship Program

1. Name of faculty member proposing: **Dr. Nidhi Sharma**
2. Department: **Humanities and Social Sciences**
3. Topic on which work is proposed: **Applied Microeconomics- Understanding Dynamics and Prospects of Indian Economy**
4. Preferred period of internship (after May 20th): **Between 15th July 2024 and 15th August 2024**
5. Qualification of student (branch/semester of study): **UG/ PG with Economics**
6. Brief description of work (300-500 words):

Applied microeconomics focuses on the behaviour of individual economic agents, such as consumers, firms, and industries, and how their decisions impact resource allocation and market outcomes. It deals with specific economic units and analyses their interactions within markets. Key topics within applied microeconomics include consumer behaviour, producer theory, market structures, and welfare economics. Applied microeconomics is crucial for understanding various aspects of market dynamics, policy intervention, and business strategies.

7. Expected learning of student (upto 100 words):

The student will be equipped with analytical tools to understand and analyse various economic phenomena at the micro level, from consumer behaviour to market dynamics, and to make informed decisions in both personal and professional contexts.

8. Nature of work: (Experimental/simulation/mathematical modelling/data collection-analysis etc.):

The work under the proposed area would mainly include data collection from primary and secondary sources, analysis using econometric methods, and policy implications.

9. If the seat is under project sponsored category: **No**

a) If yes, number of seats announced: **NA**

b) Name and ID no. of project from which stipend is chargeable: **NA**
