Guest of Honour

Shri Bhajan Lal Sharma
Chief Minister
Rajasthan

Profile

Profile

Shri Bhajanlal Sharma, the current Chief Minister of Rajasthan, is a luminary in Indian politics, noted for his pragmatic leadership and deep-seated values rooted in Indian cultural nationalism. Born on December 15, 1966, in the modest village of Atari in Nadbai tehsil, Bharatpur district, he embodies the spirit of service inherited from a rural family with an agrarian background. His life's journey from a local community leader to the highest office in the state of Rajasthan is a testament to his dedication, strategic foresight, and unwavering commitment to public welfare.

Early Life and Education

Raised in a farmer's family, Shri Sharma was influenced by the everyday struggles and humble successes of rural life. His parents, Shri Kishan Swaroop Sharma and Smt. Gomti Devi, instilled in him the values of hard work and community service from an early age. His educational journey began in the government schools of Nadbai, where he was introduced to the foundational aspects of education that later fueled his interest in political science.

Shri Sharma pursued higher education with a focus on Political Science, obtaining his postgraduate degree from Rajasthan University in 1993. Prior to this, he completed his undergraduate studies in Arts at M.S.J. College, Bharatpur, in 1989. His academic background laid a robust foundation for his analytical skills and understanding of political systems, which have been crucial in his political career.

Family and Personal Life

Shri Sharma's personal life is anchored by his wife, Smt. Geeta Sharma, and their two sons, who have been his pillars of support throughout his political journey. His family has played a significant role in keeping him grounded and connected to his roots, which is often reflected in his policies and the way he relates to the citizens of Rajasthan.

Grassroots Political Inception

Shri Sharma's political career initiated in his own community, where he first served as the Sarpanch of the Gram Panchayat in Attari from 2000 to 2005. His tenure as Sarpanch was marked by significant improvements in local infrastructure and civic

amenities, which earned him respect and recognition among his community members. He further extended his service as a member of the Panchayat Samiti Attari Bachamdi from 2010 to 2015, where he was instrumental in launching several developmental projects that benefited the rural populace.

Ascent in State Politics

His early exposure to grassroots politics provided Shri Sharma with a deep understanding of the local issues, which he adeptly used to shape his legislative agenda when he entered state politics. His political acumen and dedication led him to various leadership roles within the Bharatiya Janata Party (BJP), including that of Nadbai Mandal President, District Minister, and thrice as District President of the Bharatiya Janata Yuva Morcha.

In December 2023, Shri Sharma's political career reached its zenith when he was elected from the Sanganer assembly seat with an impressive margin, securing his position as a prominent leader in the state. His election victory was not just a personal achievement but also a reflection of the trust and confidence that the people of Rajasthan placed in his leadership.

Chief Ministership

Shri Sharma was sworn in as the Chief Minister of Rajasthan on December 15, 2023. Under his leadership, the state has embarked on a path of holistic development with an emphasis on enhancing the quality of education, healthcare, and infrastructure. His policy initiatives are designed to ensure sustainable development and equitable growth for all sectors of society.

He has been particularly vocal about integrating traditional Indian values with modern governance practices. His administration has focused on reviving and promoting Rajasthan's rich cultural heritage while also pushing for advancements in technology and innovation.

Vision and Future Goals

As Chief Minister, Shri Sharma has outlined a comprehensive vision for Rajasthan's development, which includes major initiatives in renewable energy, water conservation, and digital governance. He is keen on transforming Rajasthan into a leading example of sustainable development and technological innovation in India.

His commitment to governance is not limited to economic development but also extends to social reforms. Shri Sharma has been a strong advocate for women's empowerment and education, launching several programs aimed at improving the literacy and health indices of women across the state.
