

INFORMATION BROCHURE for Ph.D. Admission Even Semester 2024-25

MALAVIYA NATIONAL INSTITUTE OF TECHNOLOGY JAIPUR
JLN MARG, MALVIYA NAGAR, JAIPUR-302017 (RAJASTHAN)

www.mnit.ac.in

FOR FURTHER INFORMATION, PLEASE CONTACT:

Office of Dean Academic
Malaviya National Institute of Technology
J.L.N. Marg, Jaipur (Raj.) – 302017.
E-mail: admissions@mnit.ac.in
webmaster@mnit.ac.in (for technical issues)
Telephone no. 0141- 2715038**(Ph.D.)** (3.00 PM to 5.00 PM)
Web Site: www.mnit.ac.in

APPLICATION HAS TO BE FILLED ONLINE

(Link available at www.mnit.ac.in).

- Start Date of Online Application :- 09-11-2024
- Last Date of submission of Online Application form :- 28-11-2024 (till 5.00 PM)

Provisional list of shortlisted/eligible candidates for written test/interview will be displayed on Institute website by **05-12-2024**.

- Dates of written test & Interview of the :- 11-12 December 2024
shortlisted candidates
- Final Result :- 19-12-2024

NOTE :-

- *The Ph.D. entrance written test is exempted for the students who have cleared the National Level Examination viz; UGC NET JRF/CSIR JRF (with scholarship) and can sustain their Ph.D. from external scholarship/assistantship. However, such candidates will be required to appear for the interview if shortlisted.*
- *No separate interview letter will be issued, the mode of written test and interview will be offline and the detailed schedule will be displayed on the institute website, at least one week before the examination.*
- *For more information please refer to Rules and Regulations given on institute website www.mnit.ac.in.*

ADMISSION CATEGORIES (Ph.D.)

FULL TIME

- i. Full Time with Institute Assistantship
- ii. Full Time with own scholarship
- iii. Full Time Sponsored

PART TIME

- i. Part Time (candidate working within 70 km of Jaipur)
- ii. Institute Project Staff (working in MNIT Jaipur only)
- iii. Institute Faculty (working in MNIT Jaipur only)
- iv. Institute Staff (working in MNIT Jaipur only)
- v. Executive/Professional

Off Campus

- i. Off Campus (Off Campus (beyond 70 km from Jaipur)

1. INTRODUCTION

Malaviya National Institute of Technology Jaipur is one of the 31 National Institutes of Technology in India. These Institutes have been created as centers of excellence for higher training, research and development in science, engineering and technology. Established as a College of Engineering in 1963, the Institute was declared as National Institute of Technology in the year 2002. It was then accorded the status of deemed university with powers to decide its own academic policy, to conduct its own examinations and to award its own degrees.

The Institute offers undergraduate, postgraduate and research programmes through its Departments. The Institute admits on an average about 900 students for undergraduate (B.Tech./B.Arch.) programmes and about 750 students for the postgraduate and research (M. Tech./M. Planning/M.Sc./MBA/Ph.D.).

The institute offers four year undergraduate courses of study leading to the Bachelor of Technology degree in Chemical, Civil, Computer, Electrical, Electronics & Communication, Mechanical and Metallurgical & Materials Engineering and five year Bachelor of Architecture.

The institute offers full-time/part-time postgraduate programmes leading to the degree of Master of Technology in Chemical Engineering, Computer Engineering, Design Engineering, Disaster Assessment and Mitigation, Electronics & Communication Engineering, Thermal Engineering, Environmental Engineering, Industrial Engineering, Metallurgical & Materials Engineering, Power Systems, Power Systems Management, Production Engineering, Renewable Energy, Steel Technology, Structural Engineering, Transportation Engineering, VLSI Design, Embedded Systems, Earthquake Engineering, Power Electronics and Drives, Wireless and Optical Communication, Water Resources Engineering and Master of Planning (Urban Planning).

The Institute also offers full time MBA programmes in the Department of Management Studies and M.Sc. in Sciences (Physics, Chemistry and Mathematics).

The institute offers Full-time/Part-time Ph.D. programmes in Architecture & Planning, Civil Engineering, Chemical Engineering, Computer, Artificial Intelligence and Data Engineering, Electrical Engineering, Electronics & Communication Engineering, Mechanical Engineering, Metallurgical & Materials Engineering, Energy & Environment, Sciences (Physics, Chemistry, Mathematics), Management and Humanities & Social Sciences, National Centre for Disaster Mitigation & Management and Materials Research Centre.

2. THE OBJECTIVE

The objectives of the postgraduate programmes - MBA, M.Plan., M. Tech./M. Plan. and Ph.D. at the Malaviya National Institute of Technology, Jaipur, India (MNIT) are as follows:

- To cultivate high standard of performance in teaching & research,
- To develop the scientific, managerial and engineering manpower of the highest quality to cater to the needs of the Industry, R&D organizations and academia,
- To provide opportunity to students to do research in cutting edge areas,
- To be a role model and leader of educational Institutions in the country,
- To provide a broad grasp of the fundamental principles of the sciences and scientific, managerial and technological methods through its curriculum,
- To provide a deep understanding of the areas of specialization,
- To provide an innovative ability to solve new and open problems,
- To provide a capacity to learn continually and interact with multidisciplinary groups,
- To develop the students with a capability for:
 - Free and objective enquiry
 - Courage and integrity
 - Awareness and sensitivity to the needs and aspirations of society.
 - Doing independent research in their chosen areas

With this end in view, the postgraduate programmes are designed to include courses of study, seminars, project and thesis submission through which a student may develop his concepts and intellectual skills.

The procedures and requirements stated in the "Rules and Regulation manual for PG Programmes" embody the philosophy of the postgraduate education & research and ensure the highest standards of performance in teaching and research at the Institute. Within this general framework, subject to the approval of the Senate Post-Graduate Board (SPGB)/Senate, the various departments/centres may impose such additional requirements as will serve their particular academic goals. The Rules and Procedures given in the manual are adhered to and implemented without any change and with all fairness. While considering an issue, if the manual does not specifically mention something, the same shall be forwarded by DPGC to SPGB/Senate for its consideration.

Location: MNIT Jaipur is situated on Jawahar Lal Nehru Marg in South of Jaipur. This Institute is about 10 km. away from the Jaipur Railway Station/Main Bus Stand and 5 km from the Airport. Frequent City transports are available to this Institute.

Campus: MNIT Jaipur is a residential Institution and provides residential facilities to the students as well as staff. The Institute campus area extends to 325 acres with many interesting topographical features, imaginatively laid out with picturesque landscape, numerous buildings and wide roads, the campus presents a spectacle of harmony in architecture and natural beauty.

The Central Library, Central Computer Centre and Design Centre of the institute are the backbone of the institution and are accessible to the students and staff of the institute.

3. CREDIT SYSTEM

Education at the Institute is organized around the credit system of study. The prominent features of the credit system are process of continuous evaluation of a student, performance, and a flexibility to allow a student to progress at an optimum pace suited to his/her ability or convenience subject to fulfilling minimum requirement for continuation.

Each course has a certain number of credits, which describe its weightage. A student's performance is measured by the number of credits that he/she has completed satisfactorily. A minimum number of earned credits should also be obtained in order to qualify for the degree.

The minimum academic requirements for the various degrees including minimum & maximum credits to be registered in a particular semester are indicated in the "Rules and Regulation manual for PG Programmes", which is available on Institute website.

Every course is co-ordinated by a member of the teaching staff of the department, which offers the course in a given semester. This faculty member is called the Course Co-ordinator. He has full responsibility for conducting the course, co-ordinating the work of the other members of the faculty involved in that course and for holding tests and assignments and awarding grades. For any difficulty a student is expected to approach the Course Co-ordinator for advice and clarification.

4. ADMISSIONS

Academic Session

The academic session of the PG Programmes is divided into two semesters (odd and even). The odd semester will normally commence around July every year, and the even semester around January every year.

The admissions to Ph.D. programme is made in both the regular semesters.

4.1 ELIGIBILITY FOR ADMISSION

- i. The eligibility conditions given below are the absolute minimum. Departments/Centres may prescribe any requirements over and above for short listing. All eligibility requirements **must be met by the date as prescribed in PG Rules & Regulations 2024 as follows:-**
 - a. The selected candidate, who has completed all the examinations including project/thesis examination and the viva voce before the date of registration but is unable to produce the certificate in proof of having passed and secured the minimum specified qualifying marks, may be considered for provisional admission. However, if admitted provisionally, they will be required to produce the evidence of their having passed (or at least appeared in) the qualifying degree examination by the last date of registration, failing which the admission may be cancelled.
 - b. The provisions in para 4.1 (i) (a.) above shall not be applicable in the case of M.Tech. /M.Plan./MBA student of this institute, who has been provisionally selected for admission to a Ph.D. programme. Such students will be admitted to the Ph.D. Programme subject to the condition that they must have successfully completed all the prescribed requirements including acceptance of their Thesis/Project in a particular semester by the last registration date as specified in the academic calendar.
- ii. The "specified minimum" CGPA/marks implies a minimum of 6.5 on the 10 point scale (60% marks, only where CGPA is not awarded) for Ph.D. with a relaxation for SC/ST/PWD implying minimum of 6.0 on the 10 point scale (55% marks, only where CGPA is not awarded) in qualifying degree.

Visvesvaraya Ph.D. Scheme for Electronics and IT : Phase II of MietY, Govt. of India (Only for the Department of Electronics and Communication Engineering ECE, Computer Science and Engineering (CSE) and Electrical Engineering (EE))

A total of **01 fellowship for Full-Time** candidates and **01 seat for Part Time** Ph.D. candidates are available under Visvesvaraya Ph.D. Scheme for Electronics and IT : Phase-II . It is a part of the II phase of Visvesvaraya Ph.D. Scheme to enhance the number of Ph.Ds in Electronic System Design and Manufacturing (ESDM) and IT/IT Enabled Services (ITES) Sector. Once selected in this scheme, a student is entitled for the scholarship given in the section 10 (VII). **The eligibility and qualification for the admission under this scheme will be as per the section 4.3.1, section 10 (ii) and section 11. The GATE qualification is not mandatory admission under Part Time category under this scheme.**

- iii. **Reservation policy as prescribed by Government of India/Ministry of Education from time to time shall be applicable.**

4.2 SELECTION PROCESS

Selection process will comprise of two steps (i) Written test (ii) Interview of shortlisted candidates. The written test will comprise of two sections: Section A will test the research aptitude of the candidate and Section B, which will test the subject knowledge of the candidate. A candidate is required to score a minimum of 35% separately in both Part A and Part B. Format/sample questions for Part A and Part B, and sample papers will be made available on the Institute website in due course.

4.3 DOCTOR OF PHILOSOPHY

4.3.1 PH.D. IN ENGINEERING, ARCHITECTURE & PLANNING DISCIPLINE

- (a) The applicant must have a Master's degree in Engineering/Technology/Architecture/Planning or an equivalent qualification from a recognized Institute/University with CGPA not below 6.5 on a 10-point scale or 60% marks (Where CGPA is not awarded).
- (b) Candidates with 80% marks or above or an equivalent CGPA in the Bachelor's degree in Engineering/ Architecture/ Planning and a valid GATE score may be recommended by the DPGC to the SPGB for admission to the PhD program.
- i. However, only students who have graduated from CFTIs or other institutes with NIRF ranking up to 100 shall be considered eligible for admission under this scheme.
 - ii. Such candidates having sufficient experience in the relevant area and publications in refereed conferences/ journals, as notified by the DPGC, may also be considered.
 - iii. Major deliberations shall be expected from the respective Departments/ Centres while admitting any student directly on the basis of a bachelor's degree only.

4.3.2 PH.D. IN HUMANITIES & SOCIAL SCIENCES

The applicant must have the master degree with CGPA not below 6.5 on a 10-point scale or 60% Marks (where CGPA is not awarded).

4.3.3 PH.D. IN MANAGEMENT

The applicant must have a two-year post-graduate degree or equivalent from recognized institute/University with CGPA not below 6.5 on a ten-point scale or 60% marks (where CGPA is not awarded)

4.3.4 PH.D. IN SCIENCES (PHYSICS/CHEMISTRY/MATHEMATICS)

The applicant must have a Master's Degree in the relevant Science subject with CGPA not below 6.5 on a 10-point scale or 60% marks (where CGPA is not awarded).

5. PH.D. ADMISSION CATEGORIES

Sr.	Admission Category	Full/Part Time	Written Exam	Interview	Work Experience	NOC/Consent Letter	Institute Assistantship
1	Full-Time with Institute Assistantship	Full-Time	GATE/UGC-NET/CSIR-NET/ National Level Exam and Institute Exam	✓	×	×	✓
2	Full-Time with own scholarship		UGC/CSIR-JRF/ National Level Exam	✓	×	×	×
3	Full-Time (DST-INSPIRE)		Institute Exam	✓	×	×	×
4	Full-Time Sponsored		Institute Exam	✓	✓	✓	×
5	Off-Campus Sponsored (PT) (beyond 70 km from Jaipur)	Off-Campus	Institute Exam	✓	✓	✓	×
6	Part-Time External (Sponsored)	Part-Time	Institute Exam	✓	✓	✓	×
7	MNIT Jaipur Project Staff (PT)		Institute Exam	✓	×	✓	×
8	MNIT Jaipur Faculty (PT)		Institute Exam	✓	✓	✓	×
9	MNIT Jaipur Staff (PT)		Institute Exam	✓	✓	✓	×
10	Executive/Professional		×	✓	✓	✓	×

*The eligibility requirements for the Ph.D. Admission Category: Executive/Professional.

- (1) Only candidates working in following organizations shall be considered:-
 - a. Government organizations/laboratories,
 - b. PSUs, and
 - c. Reputed companies i.e. Companies having annual turnover of Rs. 100 Crores or more.
- (2) Candidate should have following educational qualification and experience.
 - a. Post Graduate Degree with at least 12 years professional experience.
 - b. B.Tech. Degree with at least 15 years professional experience.
- (3) Candidates should have demonstrated research potential through research papers in reputed journals/conferences or patents or technology transfer/deployed.
- (4) The course credit requirement would be as per the current practice for Part-Time candidates.
- (5) The minimum residency requirements for such candidates will be one semester.
- (6) All other conditions shall be as per the PG rules and regulations of MNIT Jaipur.

The admission procedure for the Ph.D. Admission Category: Executive/Professional

- (1) The candidate will be required to make a research proposal presentation to the DFB. Thereafter, the Chairman of the Departmental Selection Committee (DSC) will send the DFB's recommendation to the Office of Dean Academic (ODA).
- (2) The following committee will conduct the interview of the candidate
 - a. Dean (Academic) Chairperson
 - b. Dean (Research and Consultancy) Member
 - c. Head of the Department Member
- (3) The recommendation of the above committee will be approved by the Chairman, Senate for the selection of the candidate.

6. ADMISSION OF SPONSORED CANDIDATES (FULL TIME OR PART TIME)

- (a) A candidate who is sponsored for either Full-time or Part-time studies at MNIT Jaipur by his/ her employer and who meets the additional conditions specified below may be admitted through the DSC of the concerned Department/ Centre.
- (b) A sponsored candidate, Full-time or Part-time, must have a total experience of more than two years and must have been in full-time service of the sponsoring organization for at least one year at the time of admission.
- (c) The sponsoring organization must specifically undertake to relieve the Full-time sponsored candidate to pursue the PhD program for its full duration.
- (d) The sponsored candidates (Full-time/ Part-time) are required to submit a No Objection Certificate (NOC) **(strictly as per the format available in the Annexure at the end of the brochure)** from their employer/ organization stating that:
 - i. His/ Her official duties permit him/ her to devote sufficient time to PhD research.
 - ii. He/ she shall have to reside in the institute for a period of not less than one year during his/ her registration for the degree. However, this condition can be relaxed for a candidate working in or around Jaipur (within a radius of 70 KM).
- (e) The candidate shall give an undertaking that he/ she would fulfil the attendance requirements of all the courses undertaken by him/her for the fulfilment of the requirements of the courses and shall appear in person for progress review and evaluation as and when required by the DREC.

7. ADMISSION TO OFF CAMPUS PROGRAMME FOR PH.D.

- a) A candidate residing outside a 70 km radius of Jaipur and working in an R&D establishment or in another institution/ organization which is equipped with the necessary infrastructure for carrying out research and library facilities may be considered by the Senate for admission to the PhD program.
- b) The Institutions/ Organizations eligible for Off-Campus admissions must be recommended by the DPGC of the concerned Department/ Centre and approved by the SPGB.
- c) Such candidates must be sponsored by their employer and must have been employed with the sponsoring organization for at least two years by the last date of application.
- d) The candidates applying under Off Campus category are required to submit a No Objection Certificate (NOC) **(strictly as per the format available in the Annexure at the end of the brochure)** from their employer/ organization stating that the employer must expressly undertake to relieve him/her to stay on the campus to enable the

candidate to complete the "Course work", "Comprehensive Examination", "State of Art" seminar and at the end of every semester for the end-semester evaluation.

- e) A candidate applying for admission to the off-campus program in Engineering/ Sciences must provide detailed information about the research facilities available at his/ her organization and a certificate that these would be available to him/her for carrying out research. He/ she should also provide the bio-data of the prospective supervisor/coordinator who would supervise/coordinate the candidate's work at his/her organization if required.
- f) On the recommendation of the DSC of the concerned Department/Centre, the Chairperson Senate may approve the admission of such candidates.

8. ADMISSION UNDER THE CATEGORY OF EXECUTIVE/PROFESSIONALS FOR PH.D.

- (a) Candidates seeking admission to the PhD program under the Executive/ Professional category shall be required to present a research proposal to the DFB of the concerned Department/ Centre.
- (b) The DSC of the concerned Department/ Centre shall send the DFB's recommendation to the Academic Section.
- (c) Such candidates then shall appear before a Committee with the following members:
 - Dean A, Chairperson
 - Dean R&C, Member
 - Head of the Concerned Department/ Centre, Member

The recommendation of the above committee shall be approved by the Chairperson, Senate, for the selection of the candidate.

9. ADMISSION TO DUAL DEGREE (MPDD) PROGRAM (M.TECH./M.PLAN + Ph.D.)

The Dual degree (MPDD) program has been designed for bright M.Tech./M.Plan students of MNIT Jaipur only, having an inclination and aptitude for research. The program aims to attract the best of the students and attract them early towards research. Once these students complete their M.Tech. course work, they will start their research and earn both M.Tech./M.Plan and Ph.D. degrees at the end of the program.

Once the candidate gets admission into the MPDD program, the requirements of the program will be as per the Ph.D. program in vogue, except for the features indicated below.

i. Eligibility:

1. The students who are admitted to M.Tech/M.Plan program with GATE scholarship at MNIT Jaipur are eligible to register for this program, provided they have an overall CGPA ≥ 8.0 upto second semester of the M.Tech./M.Plan program. The program would be open for only full time M.Tech./M.Plan students admitted with GATE score. The candidate should not have any backlog in any of the registered courses for M.Tech./M.Plan.
2. They can convert themselves to the M.Tech./M.Plan.+Ph.D. Dual Degree (MPDD) program of the concerned academic unit where they have registered for M.Tech. program.

3. The student will be given an option to register for MPDD program any time after the declaration of the second-semester results, i.e. after second or third semester.
4. Minimum CGPA for PhD candidacy is 7.5 and above; for the courses registered after admission to MPDD program.

ii. Admission process:

- a) The willing candidate must apply to the institute for the MPDD program through regular PhD admission process every semester. Admission is not a right, but is subject to successful interview and availability of funded scholarship positions (from institute fellowship/UGC/CSIR, etc.)
- b) The candidate must appear for a personal interview in front of the Departmental Selection Committee (DSC), during the routine PhD admissions. No written test would be conducted for the candidates appearing for this program.

iii. Program Duration:

The total duration of the proposed MPDD program will be minimum 4 (1+3) and maximum of 7 (2+5) years from the date of M.Tech./M.Plan. admission at the institute.

iv. Program Assistantship:

- a) The candidate becomes eligible for scholarship for regular PhD scholars. However, for the scholars admitted through MPDD program, M.Tech./M.Plan. Assistantship would continue till the successful clearing of their Comprehensive Exam.
- b) Once the candidate successfully clears the Comprehensive Exam, the difference of eligible assistantship amount since admission to MPDD program (3rd/ 4th semester onwards) till the date of the Comprehensive Exam will be credited to the candidate in equal installments. After that normal PhD Assistantship will be continued. The assistantship can be provided for a maximum period of 5 years from the date of registration in MPDD program, as per the current PhD assistantship norms.
- c) If a candidate converts to part time, his fellowship will cease as per institutional PhD guidelines.

v. Course requirements:

- a) After clearing the first two semesters of M.Tech. program, the remaining credit requirement for the dual degree program will be equal to the sum of pending credit requirements of the concerned M.Tech./M.Plan program plus 9 credit of PhD program.

For example, if an M.Tech. program has 22 credits to be attained in 3rd and 4th semester, the equivalent credit requirements for dual degree will be 22 credit plus 9 credit. The candidate has to appear for a minimum of total 22 credit in the 3rd and 4th semesters, as per the relevant program, but can additionally register for more courses equivalent to 9 credit of PhD program. Likewise in case of M.Plan. the credits to be attained in 3rd and 4th Semester will be 16 and 14 credits respectively and can additionally register for more courses equivalent to 09 credits of Ph.D Programme. The maximum credit to be registered in any semester is as per current guidelines. This credit can be attained as follows.

For M. Tech. + Ph.D. Dual Degree (MPDD) Programme	For M.Plan + Ph.D. Dual Degree (MPDD) Programme
Third Semester (minimum 11 Credit maximum 17 Credit): Seminar: 3 Credit Research Methodology I: 2 Credit Four Courses: 12 Credit	Third Semester (minimum 18 Credit maximum 21 Credit): Courses of regular M.Plan Degree: 16 Credit Research Methodology I: 2 Credit One Courses extra: 3 Credit
Fourth Semester (minimum 11 Credit maximum 19 Credit) Research Methodology II: 2 Credits Dissertation: 14 Credits One Course: 3 Credits	Fourth Semester (minimum 16 Credit maximum 22 Credit) Dissertation: 14 Credit Research Methodology II: 2 Credit One/Two Course extra: 3/6 Credits

Any shortfall of credit can be covered in the 5th semester.

- b) The candidate must register for sufficient credits in 3rd and 4th semesters, to fulfill the minimum credit requirement for the award of M.Tech./M.Plan. degree, in case the student quits the program with an M.Tech. degree alone.
- c) Comprehensive Exam is to be conducted by the end of the 7th semester, as per current PhD regulations.
- d) The nomination of supervisor for the candidate registering for MPDD program will be done afresh, during the time of departmental interview. The supervisor may be different from the one appointed for the M.Tech./M.Plan program.

vi. Award of degree and Exit options:

- a) After successful completion of the Viva Voce relating to his/her PhD works, the student concerned will be awarded the MPDD together. The M.Tech./M.Plan. degree will be retroactive from the date of the completion of his/her fulfillment of minimum credit requirement for relevant M.Tech./M.Plan program/Comprehensive Examination.
- b) If the candidate intends to leave the program any time after four semesters or is unsuccessful in the Comprehensive Exam, then the candidate will be entitled to only an M.Tech./M.Plan. degree.
- c) The scholar would not be allowed to appear for M.Tech./M.Plan. placements or internships upto his/her Comprehensive Examination, once admitted into the MPDD program.

10. FINANCIAL ASSISTANCE

- i. The Institute may provide financial assistance to postgraduate students in the form of teaching and research assistantships (referred to as Institute Assistantship). Assistantships are awarded on a semester to semester basis for a period of up to four semesters for M.Tech./M.Plan. students and up to ten semesters for Ph.D. students. **The stipend for the assistantship is paid at the approved rates as notified by Ministry of Education from time to time. At present a sum of Rs. 37000 + 16% HRA for first two years and Rs. 42000 + 16% HRA for next three years is being given as institute assistantship.** A student is expected to devote about eight hours per week towards job(s) assigned to him/her by the department/institute. The renewal of assistantship is contingent on the student's satisfactory

performance in the academic programme and in the satisfactory discharge of assistantship duties as assigned to him by the department/institute.

- ii. **GATE score will be mandatory for admission to Ph.D. program (with Institute Assistantship) in Engineering and Sciences. The GATE score should have been acquired either within past three years or the candidate should have completed respective Master's degree with a valid GATE score.**
- iii. **For admission to Ph.D. program with Institute Assistantship in the Departments of Management Studies, UGC/CSIR NET shall be mandatory.**
- iv. **For admission to Ph.D. program with Institute Assistantship in the Humanities & Social Sciences, GATE/ UGC NET/CSIR NET shall be mandatory. The GATE score should have been acquired either within past three years or the candidate should have completed respective Master's degree with a valid GATE score.**
- v. Some financial assistantships in the form of research assistantships is also available from sponsored research projects. Additional assistantships in the form of scholarships, fellowships, etc. may be available through other organizations, such as, the Council of Scientific and Industrial Research (CSIR)/ University Grant Commission (UGC) / Department of Atomic Energy (DAE)/ DST/ Ministry of Education/ Corporate Houses etc.
- vi. The candidates applying for institute assistantship are required to submit the undertaking at the time of admission in the prescribed Performa given in Annexure-XI.
- vii. **Visvesvaraya Ph.D. Scheme for Electronics and IT : Phase II (MietY, Govt. of India)
(Only for the Department of Electronics and Communication Engineering ECE), Computer Science and Engineering (CSE) and Electrical Engineering (EE)**

In addition to institute assistantship, a total of 01 fellowship for Full-Time candidate and a total of 01 Part Time seat is available, under Visvesvaraya Ph.D. Scheme for Electronics and IT : Phase-II . It is a part of the II phase of Visvesvaraya Ph.D. Scheme to enhance the number of Ph.Ds in Electronic System Design and Manufacturing (ESDM) and IT/IT Enabled Services (ITES) Sector. A candidate has to EXPLICITLY indicate, whether he/she wishes to be considered for this scheme, in addition to normal process of admissions. Once selected in this scheme, a student is entitled for following

- a) Fellowship for full time Ph.D. candidate @ Rs. 38,750/- per month (1st 2nd year) and @Rs. 43,750/- per month for 3rd, 4th and 5th year of Ph.D. (support till Ph.D. completion or 05 years whichever is earlier).
- b) Reimbursement of Rent (RoR) : This component is linked with the fellowship of Ph.D. candidate. The rate of RoR is 16%.
- c) Support for attending International Conference: Support upto Rs.1.5 Lakhs/Full-time Ph.D. candidate
- d) **The Part-time PhD candidate under Visvesvaraya Ph.D. Scheme for Electronics and IT: Phase-II of MeitY is eligible to receive a one-time incentive of Rs. 3.00 Lakhs, through DBT in his/her bank account, on successful completion of PhD.**

11. MINIMUM QUALIFICATION(S) FOR ADMISSION TO Ph.D. PROGRAMME

Minimum qualification(s)

Department	Minimum Educational Qualification
Architecture & Planning	Masters degree in Architecture/Planning/Technology in relevant discipline.
Chemical Engineering	<p>1. B.Tech./M.Tech. or equivalent degree in Chemical Engineering, B.Tech/M.Tech. or equivalent degree in any branch of Engineering/ Chemical Technology and interdisciplinary areas.</p> <p>2. M.Sc./dual MSc.-M.Tech or equivalent degree in chemistry/physics/industrial chemistry/biochemistry/ biotechnology/nano-technology/ material science/ nano-science/environmental science/applied energy/energy sciences/ applied physics/ physical science/ relevant disciplines with at least one mathematics subject at Bachelor/B.Sc./UG level.</p> <p>3. M.Sc./ dual MSc-M.Tech. or equivalent degree in science subjects and consistent with department research areas with at least one mathematics subject at Bachelor/B.Sc/UG level.</p>
Chemistry	M.Sc. in Chemistry/ Medicinal Chemistry / Pharmaceutical Chemistry/ Environmental Chemistry/ Biochemistry/ Biotechnology and related disciplines with chemistry as one of the optional subject.
Civil Engineering	M.E./M.Tech. degree in relevant engineering discipline
Computer Science & Engineering	<p>B.E./B.Tech .in CSE/IT/ECE/EE or equivalent disciplines</p> <p>M.E./M.Tech./M.S. in CSE/IT/ECE/EE or equivalent disciplines</p>
Electrical Engineering	M.E./M.Tech. or equivalent degree in respective & relevant Engineering disciplines
Electronics & Communication Engineering	B. Tech. and M.Tech. Electrical/ Electronics/ Computer/ Communication/ Telecommunication/ Instrumentation/ Control/ Microelectronics or equivalent discipline consistent with research areas of department.
Humanities and Social Sciences	M.A./M.Com. or equivalent degree. Master's degree in Science may be considered for research areas consistent with the academic background and special interest.
Mathematics	M.Sc./M.A./M.Tech/MS or equivalent degree in Mathematics/statistics or in relevant discipline
Mechanical Engineering	<p>B.Tech./M.Tech. degree or equivalent degree in Mechanical/Industrial/ Production Engg.</p> <p>B.Tech./M.Tech. degree/ disciplines consistent with the research areas of the department.</p>
Metallurgical & Materials Engineering	B.E./B.Tech. degree in Metallurgical Engineering/ Materials Engineering/ Mechanical Engineering/ Materials Science and Engineering/ Metallurgical and Materials Engineering/Chemical Engineering/Ceramic Engineering/Manufacturing Engineering/ Production Engineering/ Materials Science/Forge and Foundry with M.E./M.Tech degree in Metallurgical Engineering/Materials Science/Ceramic Engineering/ Thermal

	Engineering/Polymer Engineering/Plastic Engineering/ Polymer Science and Engineering/Metallurgy and Materials Science/Materials Engineering/ Design/ Machine Design/Production/Foundry/ Industrial Metallurgy/ Welding Technology/ Manufacturing/ Process Metallurgy/Process Engineering/ Corrosion Engineering/ Nano Technology/Steel Technology/Mineral Processing/ Alloy Technology/ Extractive Metallurgy/ Composites/ Powder Metallurgy.
Physics	The applicant must have a Master's degree in following areas: M.Sc. in Physics/Applied Physics/Engineering Physics/allied areas of Physics/interdisciplinary areas in physical sciences M. Tech or equivalent degree in Materials Science / Solid State Physics/ Engineering Physics / Polymer Science / Nanoscience and Nanotechnology/ Energy Science /Technology/ Computational Techniques in Physics
Centre for Energy and Environment	1) B.Tech./B.E./B.Arch/MSc. With M.Tech in a relevant discipline. 2) B. Tech. students graduating from CFTI and other institutions whose NIRF ranking is up to 100, with a CGPA of 8.0 or above in the relevant disciplines and a valid GATE score. 3) M.Sc. in Physics/Chemistry/Biotechnology/Renewable Energy/Sustainable Development with JRF (Funding from CSIR/UGC/ICMR).
National Centre for Disaster Mitigation and Management	Bachelor's degree in Civil Engineering/Architecture Master's degree in Structural engineering/Earthquake Engineering or any other branch of civil/architectural Engineering
Management Studies	The applicant must have a two-year post-graduate degree or equivalent from recognized institute/University.
Materials Research Centre	The applicant must have a Master's degree in Engineering/Technology/ Science subject Other Qualifications: 1. M.Tech/M.E. or equivalent degree in Materials Science and Engineering, Metallurgical Engineering, Ceramics, Mechanical Engineering, Nanoscience, Polymer Technology, Electronics, Nanotechnology. 2. B Tech students graduating from an IIT with a CGPA of 8.0 or above in the above disciplines along with a valid GATE score OR B Tech / BE (from other reputed Institutions of National importance) with CGPA of 8.5 and above, are eligible to apply. 3. M.Sc in Materials Science/Physics/Chemistry Polymer Technology, Electronics, Nanotechnology. Or equivalent Master's degree in allied areas.
Artificial Intelligence and Data Engineering	B.E./B.Tech and M.E./M.Tech. in any engineering discipline, with at least one degree in CSE/IT/ECE/EE/Mechanical or equivalent disciplines.
#Centre for Rural Development	B.Tech. in any discipline and M.Tech./MS in relevant branch

Ph.D. Admission in the Centre for Rural Development is subject to the approval of BOG (Board of Governors)

Note: In case of equivalent degree, the student is required to submit equivalence certificate w.r.t his/her qualifying degree from Association of Indian University/concerned National Council in case of Architecture/Town planning.

12. AVAILABLE RESEARCH AREAS IN VARIOUS DEPARTMENTS/CENTRES

FULL TIME WITH INSTITUTE ASSISTANTSHIP		
Department/Centres	Faculty member Name	Tentative Research Area of proposed Ph.D.
ARCHITECTURE AND PLANNING	DR. GIREENDRA KUMAR	Building Envelope Design for User's Comfort
ARCHITECTURE AND PLANNING	DR. GIREENDRA KUMAR	Development Regulations for Urban Design of Cities
ARCHITECTURE AND PLANNING	DR. NIRUTI GUPTA	Sustainable urban and regional infrastructure
ARCHITECTURE AND PLANNING	DR. NIRUTI GUPTA	Affordable Housing and Real Estate Management
ARCHITECTURE AND PLANNING	DR. POOJA NIGAM	Planning and Design for sustainable Urban Development and Built Environment
ARCHITECTURE AND PLANNING	DR. POOJA NIGAM	Built Vernacular Heritage, Crafts and Traditional Knowledge Systems
ARCHITECTURE AND PLANNING	DR. BHAVNA SHRIVASTAVA	Sustainable Housing
ARCHITECTURE AND PLANNING	DR. BHAVNA SHRIVASTAVA	Resilient planning in coastal areas
ARCHITECTURE AND PLANNING	DR. NAND KUMAR	Net zero planning
ARCHITECTURE AND PLANNING	DR. NAND KUMAR	Sustainable development
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. SATYENDRA SINGH CHOUHAN	Distributed Machine Learning
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. SATYENDRA SINGH CHOUHAN	Continual Machine Learning
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. VIJAY LAXMI	Regulating hallucinations in LLMs
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. VIJAY LAXMI	AI control for swarm of robots
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. YOGESH KUMAR MEENA	AI and ML applications in Healthcare
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. YOGESH KUMAR MEENA	AI and ML applications in Agriculture
ARTIFICIAL INTELLIGENCE AND DATA ENGINEERING	DR. DINESH GOPALANI	AI and ML applications in Energy
CENTRE FOR ENERGY AND ENVIRONMENT	DR. AMARTYA CHOWDHURY	Thermal Performance of building attached solar photovoltaic
CENTRE FOR ENERGY AND ENVIRONMENT	DR. AMARTYA CHOWDHURY	Electrical performance of building attached solar photovoltaic
CENTRE FOR ENERGY AND ENVIRONMENT	DR. ANEESH PRABHAKAR	Electric vehicle thermal management

CENTRE FOR ENERGY AND ENVIRONMENT	DR. ANEESH PRABHAKAR	Solar thermal systems
CENTRE FOR ENERGY AND ENVIRONMENT	DR. JYOTIRMAY MATHUR	Energy efficiency in cooling of buildings
CENTRE FOR ENERGY AND ENVIRONMENT	DR. JYOTIRMAY MATHUR	Thermal comfort and Indoor Air Quality
CENTRE FOR ENERGY AND ENVIRONMENT	DR. SUNANDA SINHA	Solar energy and Sustainable development
CENTRE FOR ENERGY AND ENVIRONMENT	DR. SUNANDA SINHA	Renewable based EV Charging infrastructure
CENTRE FOR ENERGY AND ENVIRONMENT	DR. VIKAS KUMAR SANGAL	Wastewater Treatment using Hybrid/novel methods
CENTRE FOR ENERGY AND ENVIRONMENT	DR. VIKAS KUMAR SANGAL	Sustainability (Environment & Energy)
CENTRE FOR RURAL DEVELOPMENT	DR. MAKKHAN LAL MEENA	Ergonomic intervention in hand tools for rural workers
CENTRE FOR RURAL DEVELOPMENT	DR. MAKKHAN LAL MEENA	Ergonomics evaluation and new design of farm machineries/equipment for farmers
CHEMICAL ENGINEERING	DR. HRUSHIKESH MADHUSUDAN GADE	Molecular dynamics investigations for biopolymer-based novel materials development using self-assembly approach.
CHEMICAL ENGINEERING	DR. HRUSHIKESH MADHUSUDAN GADE	Exploring experimental and computational strategies for fuel cell component optimization: a molecular dynamics and machine learning approach.

13. GENERAL INFORMATION

- The institute reserves the right not to run any particular programme, if the number of students in that programme is less than the minimum number specified by the Institute at the time of admission.
- The institute reserves the right to change its statutes and regulations relating to academic programmes and the modalities of admission without prior notice.
- In matters of interpretation of the provisions or any matter not covered here in this information brochure, the decision of the Chairman, Senate shall be final and binding on both the parties.

The institute reserves the right to alter the number of seats in any programme without any prior notice.

Notes:

- The provisions for reservation of seats given above are subject to modification in accordance with any Government Order, if issued subsequently by the Government of India.
- It will entirely be the responsibility of the candidate to prove his/her eligibility in terms of minimum educational qualifications and for claiming reservation under a specific category, if any, at the time of submitting the application.
- The requisite certificate for SC/ST/OBC category must be submitted, along with application, in original, issued by a competent authority listed in Annexure 1, failing which the benefit of the reserved category will not be given. **The OBC/EWS certificate should have been issued after March 31, 2024.**
- PWD candidates should submit along with the application, the certificate, in original, from a Government medical board. Such a candidate may, however, be asked to appear before a Medical Board duly constituted by MNIT, Jaipur for this purpose. The Medical Board will decide the courses, which cannot be offered to a candidate, on the basis of the nature of his/her disability. The candidate will be offered admission out of the remaining courses as per the institute policy.
- The candidate should be ready with all original documents and PG dissertation thesis at the time of interview for Ph.D. admission.**

14. FEES

Updated Fees structure will be available on Institute website https://mnit.ac.in/academics/fee_structure

15. MATTERS OF DISPUTE

Disputes if any, arising out of or relating to any matter whatsoever shall be subject to the exclusive jurisdiction of Jaipur Courts.

16. RAGGING

Ragging is banned in the institute and anyone indulging in ragging is likely to be punished appropriately and the punishment may include expulsion from the institute, suspension from the institute or classes for a limited period or fine with a public apology. The punishment may also take the shape of: (i) withholding assistantship or other benefits; (ii) debarring from representation in events (iii) withholding results (iv) suspension, rustication or expulsion from hostel or mess. (v) monetary fines.

17. IMPORTANT INSTRUCTIONS

- a. The candidates are advised to read each and every instruction given in this Information Brochure very carefully before filling-up the Application Form.
- b. **The application fee of Rs. 1000/- for General/OBC/EWS category and Rs. 500/- for SC/ST category candidates is to be deposited online only while submitting the application.**
- c. The candidate must keep a photocopy of the form for future reference.
- d. **Scrutiny of application shall be done solely on the basis of information submitted by you in the application form, hence fill it very carefully. If at any stage of admission process a candidate is found not to meet the eligibility criteria, have hidden/submitted incorrect information, the candidature of the candidate will be summarily cancelled.**
- e. Request for change of category received after the last date will not be accepted under any circumstances.
- f. **Self attested photo stat copies of the certificates/testimonials and all original documents, PG dissertation/thesis copy should be brought along with the Application Form while coming for admission process. Two recent passport size photographs should be brought. Application Form either incompletely filled or without attested copies of the certificates/testimonials is liable to be rejected.**
- g. Original Documents/ Self attested photocopies of the following certificates have to be brought along with the Application Form at the time of **interview** :-
 - i. High School/Secondary School certificate in support of age/date of birth. No other certificate is acceptable in support of the age/date of birth.
 - ii. Provisional/Final Degree certificate/Migration Certificate must be attached.
 - iii. The Marks Sheet/Grade Card of Qualifying Examination including Diploma if applicable.
 - iv. Character Certificate from the Director/Dean of Students Affairs of the Institute from where the candidate has graduated (For all candidates).
 - v. Character Certificate from two persons of repute where the candidate has been residing for the last two years (For part-time course applicants only).
 - vi. Certificate from the employer on the official stationary and rubber stamp of the organization/institution (For full-time sponsored/part-time candidates only).
 - vii. **Candidate needs to submit a statement about research proposal (in not more than 500 words) for the topic chosen as first priority. It MUST be attached with application. This will have due weightage during process of screening/selection process..**

- h. In case the candidate is seeking admission as a sponsored candidate, he/she should submit a certificate from his/her present employer on official stationary with rubber stamp that he/she will be sponsored on deputation/study leave/extra ordinary leave with permission to attend the full time Ph.D. course if he/she is admitted. The employer should also indicate that the candidate will not be withdrawn midway till the completion of the course.

ANNEXURES

ANNEXURE I

**AUTHORITIES WHO MAY ISSUE CASTE/TRIBE CERTIFICATE
(SC/ST/OBC candidates should submit certificate issued by any of the following authorities)**

District Magistrate/Additional District Magistrate/ Collector/ Deputy Commissioner/ Additional Deputy Commissioner/ Deputy Collector/ 1st Class Stipendiary Magistrate/ City Magistrate/ Sub-Divisional Magistrate / Taluka Magistrate /Executive Magistrate /Extra Assistant Commissioner/ Chief Presidency Magistrate/Additional Chief Presidency Magistrate/ Presidency Magistrate/ Revenue Officer not below the rank of Tehsildar/Sub-Divisional Officer of the area where the candidate and /or his/her family normally resides/Administrator/Secretary to Administrator/Development Officer (Lakshadweep Island).

(Certificate issued by any other authority will be rejected.)

ANNEXURE II

**CERTIFICATE FROM INSTITUTE / UNIVERSITY
(Required during registration from candidates whose result of the qualifying examination has not been declared)**

I hereby certify that Mr./Ms. has appeared in the final year examination including theory, practical and project examination for B.E./B.Tech./B.Sc./M.Sc.....degree (strike out the non-applicable ones and write in the blank if the degree is not mentioned) and the result is likely to be announced by His/her conduct and character during his/her stay at the Institute/University was "GOOD".

Place:
Date:.....

Signature of the Principal/Dean/Registrar/
Dy. Registrar/Proctor/Administrative
Officer of the institute last attended with seal

ANNEXURE III

**CERTIFICATE OF THE FORWARDING OFFICER
(Required from candidates who is yet to appear in the qualifying examination or yet to get the degree)**

I hereby certify in connection with the application of Mr./Ms. that he/ she is a bonafide student of our institution and is applying for admission to PG programmes at MNIT Jaipur. He/She is yet to complete / has completed all the requirements of qualifying examination including theory, practical and project examination for B.E./B.Tech./B.Sc./M.Sc. (Strike out the non-applicable ones and write in the blank if the degree is not mentioned) and the result is likely to be announced by His/her conduct and character during his/her stay at the Institute/University is "GOOD".

Place:.....
Date:.....

Signature of the Principal/Dean/Registrar/
Dy. Registrar/Proctor/Administrative Officer
of the institute attending/last attended with seal

SPONSORSHIP CERTIFICATE
(Required from Full-time Sponsored Candidates only)

(This should be typed on the letterhead of the Sponsoring Organization and enclosed with application for admission)

To,
The Director
MNIT, Jaipur
Sub: Sponsoring of an employer for Ph.D. Programme.

We hereby Sponsor the candidature of Mr./Ms. who is working in this organization for the lastyears and is presently holding the rank/position of for joining his/her Ph.D. programme in at your Institute as a Full Time candidate in the Department of with specialization in the following areas:

- 1.....
- 2.....
- 3.....

His/her conduct and character is good.

The Institution/Organization would relieve him/her immediately for joining the above course, if selected for admission. We shall fully relieve him/her duties in the organization to devote sufficient time for Ph.D.

Place:
Date:.....

Signature of Head of the Institution/Organization with seal
Name
Designation

*Candidate should also give a separate undertaking that he would fulfill the attendance requirements of all the courses undertaken by him for fulfillment of the course pursued.

NO OBJECTION CERTIFICATE

(Required from Candidates Seeking Admission on PART-TIME Basis)

(On a letterhead of the sponsoring organization & enclosed with application for admission)

The undersigned is pleased to permit Mr./Ms. who is working in this organization for the last years and is presently holding the rank/position of for pursuing the programme (course) at MNIT Jaipur in the Department of with specialization in the following areas:

- 1.....
2.....
3.....

His/her conduct and character is good. We are ready to relieve him/her during study hours (usually 8-10 hours of classroom instructions in a week) to undergo the Masters' programme / (usually about 6 hours of classroom instructions in a week) to undergo the Ph.D. programme as per time-table of the Institute, which follows slot system. We understand that the duration of course work is expected to be 4 semesters for Part-Time M.Tech. programme/ 5 semesters for part-time Ph.D. programme, while total duration is expected to be 3 years for part time M.Tech./ 6 years for part-time Ph.D.

Place:
Date:.....

Signature of Head of the Institution/Organization with seal
Name
Designation

NO OBJECTION CERTIFICATE

(Required from Candidates Seeking Admission on OFF CAMPUS Basis)

(On a letterhead of the sponsoring organization & enclosed with application for admission)

The undersigned is pleased to permit Mr./Ms. who is working in this organization for the last (must be more than two year) Years and is presently holding the rank/position of for pursuing the programme (course) at MNIT Jaipur in the Department of with specialization in the following areas:

- 1.....
2.....
3.....

His/her conduct and character is good. We are ready to relieve him/her to stay on the campus to enable the candidate to complete the "Course work", "Comprehensive Examination" and "State of Art Seminar" and at the end of every semester for the semester evaluation. The organization has the research and library facilities available and the same would be available to him/her for carrying out research.
