

# MALAVIYA NATIONAL INSTITUTE OF TECHNOLOGY JAIPUR

## ACADEMIC SECTION

### NOTICE

Dated: June 18<sup>th</sup>, 2025

#### **Regarding Admission Process through the Study in India (SII) Portal**

This is to inform all concerned that the institute is currently in the process of admissions into various UG and PG programs through the **Study in India (SII)** portal. We have received **500+ applications** from international candidates expressing interest in joining our institute through this platform.

#### **Important Information:**

- The **first round of merit list preparation** will be initiated for all **eligible applications received up to 20th June 2025**.
- Applications received **after 20th June 2025** may be considered **only in the second round of admissions**, subject to the **availability of vacant seats** after the completion of the first round.
- All applicants are advised to **ensure the completeness of their application and submission of required documents** by the above-mentioned cut-off date to be considered in the first round.

Note: The **detailed admission schedule and process** will be shared shortly on the institute website.

All applicants are requested to **regularly check the institute's website** for updates and further announcements regarding the admission process.

For any specific queries,

Dean, Academic
